- (4) (a) Subject to subsection (4)(b), after the end of a fiscal year, 30% of the money appropriated to an agency for that year by the general appropriations act for personal services, operating expenses, and equipment, by fund type, and remaining unexpended and unencumbered at the end of the year may be reappropriated to be spent during the following 2 years for any purpose that is consistent with the goals and objectives of the agency. The dollar amount of the 30% amount that may be carried forward and spent must be determined by the office of budget and program planning.
- (b) (i) Any portion of the 30% of the unexpended and unencumbered money referred to in subsection (4)(a) that was appropriated to a legislative branch entity may be deposited in the account established in 5-11-407.
- (ii) After the end of a biennium, any portion of the unexpended and unencumbered money appropriated for the operation of the preceding legislature in a separate appropriation act may be deposited in the account established in 5-11-407. The approving authority shall determine the portion of the unexpended and unencumbered money that is deposited in the account. (Bracketed language terminates on occurrence of contingency--sec. 7, Ch. 565, L. 2005.)"

- (b) authority for each participating state agency to transfer funds to the long-range building program fund in an amount equal to the difference between the estimated energy cost savings to the agency and the projected debt service apportioned to that agency.
